A Message from Administration

Dear Families,

It was wonderful to see all our graduates last night in our gym, celebrating a milestone. On behalf of the staff at Tec. South we would like to congratulate you on your accomplishments. Thank you to all of our families for your partnership, research tells us that the home school connection is incredibly important as we help our children to learn and grow.

I would also like to express a sincere thank you to all of our parents who volunteer and support the school through our school council. We are always in need of parent support, so please mark September 25, 2017 on your calendars for our first school council meeting of the year where we will elect the new council for 2017-2018 and please also save September 20, 2017 as our tentative date for our Fall BBQ.

We would like to congratulate and wish Mr. Murray well in his new school, and thank Mrs. Bradley and Mlle. Moritz for their time here at Tec. South. A special welcome to Mrs. Caughey and Mr. Cowan who will be joining our staff in the fall. We would like to welcome back Mrs. Leaist, and express our deepest condolences from the Tec South community on the loss of her infant son, Jasper. With heartfelt thanks, we appreciate your positive support as she begins a new year back at Tec South in the fall.

Great to see so many parents out to our assembly today, if you were not able to join us, we hope you enjoy the photos. We wish you a safe and happy summer!

Sincerely,

M. Bongard

Best wishes for a safe and happy summer!
