Fall Update

Fall Fun

Calling all pumpkin artists!
Show off your talents and send a picture of your decorated pumpkin to your child's Google classroom. Each submission will act as a ballot for your class. On October 29 we will have a draw and the winning class will be rewarded. Paint, carve, sculpt, or decorate.....we can't wait to see your creations.

Fundraising

Purchase Spirit Wear.
A portion of every sale goes towards our school!

Welcome Back

We are slowly falling back into routine at Tec South and we at Parent council wanted to thank all of the teachers, staff, parents and students for making this year's return to school such a success. We had our first Parent Council meeting of the year. Thank you to everyone who took the time to join us, it was great to see so many in attendance.

Our school Council has two main goals. First, to encourage and foster a sense of school community. We hope to accomplish this through ongoing family challenges and virtual events throughout the school year. Our other goal is fundraising. Our fundraising efforts will be going towards school yard improvements, including an outdoor classroom with covered shelter. There will be a number of different campaigns and events held throughout the year which will have fundraising goals, and we hope to have the school community involved in all of these activities. Alternatively, families are always welcome to offer a donation to the school; donations in excess of \$50 are eligible for a tax receipt. Hoping to make this a fun and successful year—Together we Soar!
